Management and Leadership

- Students gain understanding of arts policy, governance and management issues that are relevant to arts organisations
- Students develop practical management and leadership skills

Assessment

A written report that examines leadership and management in a chosen arts organisation in relation to a choice of one of four topics:

- Equality, diversity, and inclusion
- Sustainability
- Digital innovation
- Business resilience

On completion of the module the student should be able to:

- Evaluate research documentation, demonstrating knowledge and understanding and disclosing new insight
- Devise an innovative and original written proposal in response to an arts case study
