ROYAL WELSH COLLEGE
OF MUSIC & DRAMA
COLEG BRENHINOL
CERDD A DRAMA CYMRU

Technical Skills

The module introduces advanced skills relating to the student's area of specialist study, model making, technical drawing, computer generated design, props making, scene painting, scenic construction or costume cutting and construction.

Assessment

Students retain a record of their progress to present in a reflective report through a written or verbal online presentation.

On completion of the module the student should be able to:

- Evaluate, identify, and use materials, processes, and techniques within design for performance environments
- Generate ideas, concepts, proposals, solutions, or arguments independently and/or collaboratively in response to set briefs and/or as self-initiated activity
- Apply to a professional standard, their skills, knowledge and understanding within design for performance and as a part of a team realising the design
