THE WRITER

When a young female playwright presents a new work, she discovers the barriers that society has placed in her way.

Must she play within the system for her creative voice to be heard, or is there another way? The Writer explores how society can change us, for better or for worse, and imagines what the utopian alternative could be.

Pan fydd dramodydd benywaidd ifanc yn cyflwyno gwaith newydd, mae'n darganfod y rhwystrau y mae cymdeithas wedi'u rhoi yn ei ffordd.

A oes yn rhaid iddi chwarae o fewn y system er mwyn i'w llais creadigol gael ei glywed, neu a oes ffordd arall? Mae The Writer yn archwilio sut y gall cymdeithas ein newid, er gwell neu er gwaeth, ac yn dychmygu beth allai'r dewis amgen iwtopaidd fod.
