Our venues can host all styles of weddings, from traditional to highly creative. With our in-house designers, caterers and events team, you can have the lighting, scenery, performance and catering that you have always dreamed of!

Our first venue is Cardiff Castle's historic stables building. Its open-air courtyard and elegant rooms accommodate up to 80 guests. Situated on a magnificent tree-lined avenue, you and your guests can arrive within one of the UK's most beautiful parks by car, horse and cart, tandem or even water taxi – a magnificent backdrop for your photographs!

For larger weddings, our world-class concert hall and theatre are stunning and dramatic. Together with our fabulous glass atrium, open-air terrace, bar and dance floor overlooking the park, up to 250 guests can enjoy a truly wonderful reception and party at this highly sought-after venue.
