TO GET THE BEST EXPERIENCE:

1. You must register to join the Open Day which includes access to the live Q&A sessions.
Register at rwcmd.ac.uk/opendays

2. Before joining a department Q&A, we recommend you watch the relevant department video, so for example, if you are interested in the Brass Department, you would watch the brass video. It would also be beneficial to watch the relevant course overview video: so if you are interested in one of the undergraduate courses you should watch the 'Overview of the Undergraduate Music Courses'. If you are interested in postgraduate course(s), you should watch the 'Overview of the Postgraduate Music Courses'.
