

### MA DESIGN FOR PERFORMANCE MA STAGE & EVENT MANAGEMENT

We are pleased to say that we can now invite you to attend in person for the open day at RWCMD. We're excited, but also realise that the safety of visitors, staff and students is very important. So that we can make it a safe experience for everybody, we would need you (and your guest) to wear a face mask when on campus, and to also maintain a 2-metre distance from other guests.

**As the College is operating at a reduced capacity due to Covid restrictions, we're sorry to advise that we can only allow one accompanying guest for each visitor.**

For everyone's safety, we also track Covid numbers on campus daily. If we record an increase in numbers then we may need to move the open day online and you will be notified of this via email in good time. With this in mind, if you are booking tickets for travel and overnight accommodation in order to attend, we would advise that you check cancellation terms and insurance cover for your bookings.

We ask that you (and your guest) take a lateral flow test during the morning of 14 February before you arrive on campus. Lateral flow tests can be ordered through:
