Congratulations

Congratulations to you both on your forthcoming marriage or civil partnership. You've taken the first big step on your journey to spending the rest of your life with the one you love and we are so thrilled for you!

Our unique wedding venues are available exclusively during the summer, before Christmas, after the New Year and during April to host your wedding just how you have imagined it from traditional to quirky, individually-creative to themed. We're known for our high-quality service and our dedicated Weddings Manager will assist you as you plan. Alongside our professional specialists, who can bring your ideas to life through bespoke decoration, magical lighting, great sound and even live performance, our in-house chef can help you pick a menu to add delicious touches to your special day.

Our first venue is Cardiff Castle's historic stables building, the Anthony Hopkins Centre. Situated on a picturesque tree-lined avenue with Cardiff Castle in view, you and your guests can arrive within one of the UK's most beautiful parks by car, horse and cart, tandem or even a water taxi! Two elegant rooms, full of charm and character, can accommodate an intimate ceremony for up to 70 guests and the open-air courtyard is magnificent for your drinks reception on a beautiful day with the park providing a stunning back-drop for your photo album!

"After every meeting we felt so reassured that things were on track and it was so exciting seeing the day come together."
Jess & Jon

For larger wedding ceremonies, our highly sought-after suite of venues includes our world-class concert hall and theatre. Their stunning contemporary design puts you centre stage in great style. Together with our fabulous glass atrium, open-air terrace, bar and dance floor overlooking the park, up to 200 guests can enjoy a truly wonderful wedding breakfast and reception followed by up to 300 evening party-goers for an experience you and your guests will never forget!

"A huge thank you to you and all your staff for your contribution in making Chris and Amelia's very 'Special Day' a truly memorable one! Family and friends are still raving about the incredible venue, impeccable service and Michelin standard food."
Les and Sue Mumford and Jerry and Mo Clark

Will we have exclusive use?

Yes, certainly! We also employ door staff for the evening on your behalf, who are always very polite and welcome your evening guests with a smile.

Who will supply our catering?

Our in-house Catering Manager will discuss your ideal menu and can suggest ideas to inspire you for the day and evening. We supply all tables, chairs, cutlery, crockery and linen.

Does the College have a bar?

Yes, we have a fully stocked bar, which is licensed to serve until 1:30am.

Can we supply our own drinks?

Yes, and our corkage is only charged on consumption and covers all glassware and serving staff.

Can you supply live musicians?

A wide range, from quartets to jazz bands. We have some of the most talented musicians and all are available through our 'Hire a Performer' service.

Will you help us with technical arrangements?

Our experienced technical team can create bespoke lighting and sound effects for your ceremony, reception and party.

Is there any parking?

We have spaces for blue-badge holders and there are large car parks adjacent to the College (free after 8pm). We are city centre based so we are very accessible with taxi and public transport links to your accommodation.

What do these fabulous venues cost?

Our dedicated and experienced Wedding Manager will help you plan your dream wedding within your budget. The venue is charged on an hourly basis and we have an additional price list which includes many creative options so you can make your day as individual as you are.
